Location:	SOCTE 217
Minutes Submitted by :	Prof. Joshway
Agenda Topics:	See below;

<p>Topic #1 Welcome address to all student body</p> <p>Topic #2: Recognize incoming students (Fundamentals)</p> <p>Topic #3: Updates: Nursing Skills Lab, Simulation Lab and nursing classrooms (SOCTE 217, 218, 219, & 220) Safety, New classrooms designs have ability to record and playback for learning purposes.</p> <p><i>*Prof. McClellan has been re-assigned 0.5% time to manage Simulation Lab. She will make schedule for all cohorts for simulation hours per cohort.</i></p> <p>Purchase of case studies for simulation lab for the purpose of recording and critiquing simulations</p> <p>Topic #4: Nursing Counselor Update: Seniors (4th Semester) to submit official transcript from other schools in preparation for graduation:</p>	<p>ALL</p>
--	-------------------

Topic #5: Mastery testing: Seniors will be the last group to use Kaplan: the current 3rd semester cohort were the 1st pilot for ATI:

~1st year students pay for the use of ATI, nursing program (school) will pick up 3rd & 4th Year costs for the use of ATI.

~Incoming Fundamentals will be oriented on how to use ATI resources. Email has been sent out, will notify lead instructors for date of the orientation.

Topic #6: LASC/CDU Concurrent Student Progression Challenges include Financial Aid. Have identified the contact person to help with the financial aid situation and all concerns/problems should be resolved.

~we need a way to identify our concurrent student population: College Registrar should flag nursing students.

**Topic #7: Skills Lab hours & coverage:
Monday/Thursdays 9-5PM (Prof. Nadine)
Tuesdays/Wednesdays 9-5PM (Prof. Isibor)
Please clean up and take care of our skills lab**

Topic #8: School Scholarships (See Aracely)

~Requirements: Essay only, write one and revise it as necessary for each additional scholarship you apply for.

**Topic #9: Nursing Week May 6-12, 2020, a Global Affair.
LASC Celebration/Open House: Tuesday, May 12, 2020, 9:00 – 2:00PM**

~Will include:

Skills & Simulation performances

Healthy refreshments (supplied by students during poster board presentations)

Invite friends and family

Our way of showcasing to the community

Guest speakers in Little Theater

Topic #10: Health Records

~Each clinical site has their own requirements; LASC does not decide what documents are sent to each facility.

~ We have to submit the documents that they requests and all documents must be submitted at the same time in order for them to be reviewed and approved by facilitator.

~MyClinicalExchange: Submit all documents,

~Submit hardcopy of "Flu" documentation

~ CA DL & ID must be updated with correct address, please assure that telephone numbers are updated at all times.

~NCLEX-RN: Waiting for 3rd quarter results

~Cheating, Cheating, Cheating!!! Must Stop Diversity, practice, study all resources, tutors. Cheating only gets you so far

~Second 8 weeks registration??? Working on ways to get registration to combine 1st & 2nd 8 weeks

Topic #11: 1st Curriculum Meeting-03/23/2020 @ 4:30pm, SOCTE 222. Class Reps from each cohort must be in attendance.

~speak with your cohort and bring questions/concerns to be discussed
