II. Definitions

A. Advocate

The term "Advocate" refers to someone trained by a Title IX Coordinator to assist a Reporting Party and/or Alleged Victim or a Respondent generally in a Sexual Misconduct case, with the exception of Advocates for Students, below. An Advocate's assistance can include providing moral support as well as information regarding procedural issues, throughout the pendency of an investigation, through the last internal Appeal. Each location (College and ESC) must have a minimum of two Advocates at all times, and preferably will have at least four. The Advocate is independent from College and District influences, and maintains the Confidentiality of anyone he or she aids. In Sexual Misconduct matters, the services of the Advocate are available to both parties through the time of a final internal Appeal.

This position encompasses the former "Advocate for Students" position. All Advocates shall be available to assist student parties to a non-Sexual Misconduct Complaint from the initiation of the matter through the final written Decision.

B. Alleged Victim

The term "Alleged Victim" refers to a person who may have been the object of a violation of this policy.

C. Appeal

The term "Appeal" refers to a request by a Reporting Individual and/or an Alleged Victim, made in writing to the Los Angeles Community College District Board of Trustees pursuant to Title 5, section 59338, and/or to the State Chancellor's Office pursuant to Title 5, section 59339, to review the administrative determination of the District regarding a Complaint of discrimination.

D. Behavioral Intervention Team or BIT

The term "Behavioral Intervention Team" or "BIT" refers to a group or team at each College and the ESC charged, among other duties, with the responsibility to monitor, sponsor, prevent, intervene, and offer education programs on campus or at the ESC regarding Sexual Misconduct, and with responding

to allegations of Sexual Misconduct, as defined above, within the constraints of the Title IX procedures outlined herein.

The BIT may choose to meet its Sexual Misconduct responsibilities through the services of a Sexual Misconduct Awareness and Response Team ("SMART") created by the BIT, or in some other way. The responsibilities are the same: prevention, intervention, and education programs at their location regarding Sexual Misconduct.

E. College Title IX Coordinator

The term "College Title IX Coordinator" refers to the individual designated to oversee Sexual Misconduct matters at a particular college or site in the District.

F. Complaint

The term "Complaint" means a written or oral statement that alleges Prohibited Discrimination, Unlawful Harassment, or Sexual Misconduct as defined herein.

A Complaint may be filed by someone who alleges that he or she has personally suffered Prohibited Discrimination, Unlawful Harassment, and Sexual Misconduct or by someone who has learned of potential Prohibited Discrimination, Sexual Misconduct, and Unlawful Harassment in his or her official capacity as a faculty member or administrator, and by an individual or entity filing a Complaint on behalf of another individual or class of individuals.

- b.** Informed (knowing)
 - c.** Voluntary (freely given)
 - d.** Active (not passive)
 - e.** By clear words or actions, with regard to agreed-upon (sexual) activity, and

 - f.** Incapacity as a result of drugs, alcohol, sleep, mental or cognitive impairment, injury, or other condition, which was or should have been known to the accused. Intoxication of the assailant shall not diminish the assailant's responsibility for sexual assault or sexual misconduct.

- 3.** The absence of "No" does not mean "Yes".

I. Dating Violence

The term "Dating Violence" is included in Intimate Partner Violence; see below.

J. Days

The word "Days" means calendar days unless otherwise specified. "Business Day" shall mean Monday through Friday when the District is open, whether or not classes are in session. When the last day for an action or due date falls on a Saturday or Sunday under this policy, the due date will be the following Business Day.

Mental Health professionals and clergy are not “responsible employees” when acting in their professional capacity and therefore, are exempt from the Title IX reporting responsibility, as are faculty with regard to material directly related to their curriculum.

A First Responder may or may not be a Responsible Employee depending on his or her other role(s) at the College or ESC, but his or her activities are broader than those of a Responsible Employee. See “First Responder,” above. Both the Responsible Employee and the First Responder may be members of the Behavioral Intervention Team (BIT), as part of the Sexual Assault Response Team (SMART), as described in these regulations.

BB. Retaliation

The term “Retaliation” refers to a prohibited form of unlawful harassment. Retaliation refers to adverse personal behavior or adverse employment or academic decisions based primarily upon an individual’s participation as a witness, Respondent, investigator, decision-maker, representative or advisor, or other individual as prohibited by state or federal law.

- 2.** In the case of a student, the filing of a Complaint shall not affect his/her grade, class selections, or other matters pertaining to enrollment status as a student of the District.
- 3.** Similarly, adverse actions (as described above) shall not be taken against a Respondent, from the time allegations are made about him/her through final resolution of the matter. Consequences imposed because the final decision concludes that the Respondent’s actions rise to the level of discrimination are not retaliation, and are hereby

excluded from this definition.

4. Any adverse action against an individual for filing a discrimination charge, for testifying, or for participating in any way in an investigation, proceeding, or lawsuit under these laws, or for opposing employment practices that they reasonably believe to be discriminatory is retaliation and thus unlawful harassment which violates these regulations.

DD. Sexual Misconduct

The term "Sexual Misconduct" refers to non-consensual sexual activity, where affirmative, clear, knowing, and voluntary Consent, as defined herein, both prior to and during the sexual activity is absent. Sexual Misconduct includes "Sexual Harassment" as that term is defined herein. Sexual Misconduct is prohibited between individuals within the LACCD community or in LACCD programs or activities. The absence or existence of any preexisting relationship between the parties involved is not determinative of whether Sexual Misconduct has occurred. Each reported allegation of Sexual Misconduct within the District will be evaluated consistent with the standards set forth below and herein.

JJ. District Title IX Coordinator

The term "District Title IX Coordinator" refers to an individual who may, at the Director of the Office for Diversity, Equity & Inclusion's discretion, be designated to oversee Title IX and Sexual Misconduct matters throughout the entire Los Angeles Community College District. This role does not supplant the role of the Title IX Coordinator at each LACCD College, as defined herein.  - ii. The victim does not have to be the person harassed, but can be anyone affected by the offensive conduct; or
 - iii. Unlawful Harassment may occur without economic or educational injury to, or the discharge or dismissal of, the victim.

In addition, all employees, regardless of whether they are deemed "Responsible Employees" should do the following upon receipt of a report:

- 1.** Ask the Reporting Individual and/or Alleged Victim whether she/he needs medical attention and, if necessary, refer her/him for follow-up emergency care, including emergency psychological intervention if warranted;

- 2.** Ensure a written resource guide is provided to the Reporting Individual and/or Alleged Victim, which includes the list of college and community resources from which she/he can receive further assistance and describes the rights and options an Alleged Victim has to have their complaint addressed by law enforcement, the District or both entities. The written resource guide for the Alleged Victim shall include all information set forth below in Section IX(1), "Sexual Misconduct Complaint Response" as well as information on the following:

 - e.** Steps the District will take to preserve confidentiality to the extent possible, including how the District will evaluate any request by the Alleged Victim for confidentiality of their identity or that no investigation be conducted.

3. Depending on the circumstances, this written resource guide may be provided to the individual directly by the employee or through the College or ESC Title IX Coordinator (if the employee is a Responsible Employee who must report the alleged Sexual Misconduct to the ESC or College Title IX Coordinator and has made the appropriate report). Electronic mail delivery of the written resource guide is an acceptable format to deliver the written resource guide.
4. Additional step for Responsible Employees only: Inform the Reporting Individual and/or Alleged Victim that he/she is obligated to report what the Reporting Individual and/or Alleged Victim tells him/her about the incident. Further inform the Reporting Individual and/or Alleged Victim that if she/he wants to speak to someone in confidence, then she/he should go to the Health Center on campus and speak to a Mental Health Professional, acting in his/her professional capacity, or, from the Educational Services Center, contact the EAP.

IV. False Allegations

Anyone who files a Complaint pursuant to these procedures in which he or she knowingly makes false allegations of fact shall also have violated this policy and be subject to applicable or appropriate disciplinary process. Complaints that a Reporting Individual and/or Alleged Victim has made false allegations about a violation of this process shall be made through this process only.

V. Confidentiality and Recordkeeping

- A. Involved in investigations of complaints shall have a duty to maintain the confidentiality of the matters discussed, except as may be required or permitted by law, which includes the rules and regulations of the District. The names of individuals alleging that they were sexually harassed or sexually assaulted, and the names of Alleged Offenders, shall not be revealed by persons responsible for implementing these procedures and/or enforcing provisions of related policy, except as required by law

Files regarding formal complaints and appeals to the Board of Trustees will be maintained in the same manner.

VI. Informal Complaint Procedure

- A.** Upon receiving an allegation of Prohibited Discrimination (not including Sexual Misconduct or Title IX issues), the Compliance Officer or the Director of ODEI, as applicable, shall within five (5) days, or for good cause, as soon thereafter as practicable:

 - 5.** Advise the Reporting Individual and/or Alleged Victim who files an employment-related Complaint, that he or she may file a Complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the California Department of Fair Employment and Housing (DFEH), where such Complaint is within that agency's jurisdiction;
 - 6.** Advise the Reporting Individual and/or Alleged Victim who

files a non-employment-related Complaint that at any time she/he may file a non-employment-based Complaint with the Office for Civil Rights, U.S. Department of Education (OCR), where such a Complaint is within that agency's jurisdiction;

- 7.** Advise any party to a Complaint (Reporting Individual, Alleged Victim, or Respondent) that he or she is entitled to the services of a College or District-provided Advocate, as defined in Administrative Regulation C-14, Sections II.A and III. E, above, and/or the services of a private representative.
- B.** Any efforts at informal resolution after the filing of an Informal Complaint will not exceed 30 Days.
- C.** In order to comply with the timelines herein, the Compliance Officer who is conducting an informal investigation shall contact the Respondent, even if he/she is not regularly scheduled to participate in District-related activity.
- D.** Settlement (or Early Resolution) Agreement. If a resolution is reached during the Informal Procedure process, the Compliance Officer shall draft a settlement or early resolution agreement to be approved by the Reporting Individual and/or Alleged Victim and Respondent. A record of these approvals shall be maintained in the event the agreement is reached. The Compliance Officer and College shall monitor the situation to ensure that the resolution is properly implemented. Upon execution of the agreement, all original materials relating to the matter shall be maintained permanently by the investigating office and cross-referenced by the names of all parties involved.

VII. Formal Complaint Procedure

- A.** Complaint: A Reporting Individual and/or Alleged Victim may pursue a Complaint of Prohibited Discrimination, Unlawful Harassment and/or Sexual Misconduct by communicating, verbally or in writing, to the Director of ODEI or to the Deputy Chancellor. The Reporting Individual and/or Alleged Victim shall then be assisted with the process of preparing a written Complaint for the Reporting Individual and/or Alleged Victim's

signature.

- 1.** A Complaint may be filed by someone who alleges that he or she has personally suffered Prohibited Discrimination, Unlawful Harassment and/or Sexual Misconduct, or by one who has learned of potential Prohibited Discrimination, Unlawful Harassment and/or Sexual Misconduct in his or her official capacity as a faculty member or administrator.
 - 2.** A written Complaint may, but is not required to be, filed on the form prescribed by the State Chancellor. Each Compliance Officer and the Director of ODEI will provide a copy of the blank form upon request by any person.
 - 3.** If the Compliance Officer or the Director of ODEI receives a Complaint that does not comply with the provisions of this section, the Compliance Officer or the Director of ODEI shall immediately notify the Complainant of the reason that the Complaint is deemed defective and cannot be processed.
- B.** Alternative Filing: The Reporting Individual and/or Alleged victim may also submit his or her written Complaint directly to the State Chancellor's Office of the California Community Colleges.
- C.** Timeliness
- 1.** The Complaint in cases not involving Sexual Misconduct shall be filed no later than one year from the date when the Reporting Individual and/or Alleged Victim knew or reasonably should have known of the facts underlying the Complaint. The Compliance Officer shall advise a Reporting Individual and/or Alleged Victim that he or she may also file a non-employment-based Complaint with the Office for Civil Rights, U.S. Department of Education (OCR) when such a Complaint is within the agency's jurisdiction. For a Complaint arising from or related to employment, the Complaint may be filed with the Department of Fair Employment and Housing and/or the Equal Employment Opportunity Commission. All Complaints must be filed within one year of the date of the alleged potential unlawful discrimination.

- 2.** A Sexual Misconduct (Title IX) Complaint must be filed within 180 Days of the date of the alleged discrimination, unless the time for filing is extended for good cause by OCR (the Enforcement Office Director, Office for Civil Rights, U.S. Department of Education). Prior to filing a Complaint with OCR against an institution, a potential Reporting Individual and/or Alleged Victim may want to use the College's or District's process to have the Complaint resolved (though this is not required). If a Reporting Individual and/or Alleged Victim uses the College's or District's process and then chooses to file with OCR, his or her Title IX Complaint must be filed with OCR within 60 Days after the College's or District's complaint process is final.
- 3.** Investigations should be completed in 60 calendar Days unless good cause exists for extending the time, in which case all parties must be kept informed.
- 4.** Time limits under this policy will not be extended or waived by the unavailability of a designated representative.
- 5.** If a Compliance Officer or an administrator becomes aware that an investigation or Decision cannot be completed within the time frames specified, he or she shall immediately notify the Director of ODEI. The Director will address the matter with the State Chancellor's Office as necessary to obtain an extension if warranted.

D. Equity; Communication with Parties: In Sexual Misconduct (Title IX) cases, all parties must be treated equitably. The same amount of notice and the same opportunities to appear and present information shall be provided to both parties and the same services shall be available to both parties.

E. Notifications

1. Notifications to Reporting Individual and/or Alleged Victim

Within five (5) business Days after receiving a Complaint, or, for good cause, as soon thereafter as is practical, a Compliance Officer shall notify the Reporting Individual

and/or Alleged Victim of receipt of Complaint and that an investigation has commenced.

2. Notification to Administration

3. Notification to Respondent/Alleged Offender

Within five (5) business Days after receiving a Complaint, or, for good cause, as soon thereafter as is practical, a Compliance Officer shall provide a summary of the Complaint to the Respondent/Alleged Offender. The Compliance Officer will ensure that personal information about the Reporting Individual and/or Alleged Victim and other individuals who may be mentioned in the Complaint is not unnecessarily disclosed to the Alleged Offender.

VIII. Title IX

A. College or ESC Behavioral Intervention Team ("BIT"), Sexual Misconduct Awareness and Response Team ("SMART"):

- 1.** Each College President and the Deputy Chancellor for the Education Services Center (ESC) will designate a Behavioral Intervention Team ("BIT"). Each BIT will designate from among its members a Sexual Misconduct Awareness and Response Team (SMART) to sponsor College (or ESC) prevention, intervention, and education efforts related to Sexual Misconduct. The SMART should consist of more than one person. Recommended team members include: The First Responder, two (2) counselors, a representative from college law enforcement, the Vice President for Student Services or other delegate for student matters, the site designee for employee matters, a health services representative, the College or ESC Title IX Coordinator, and additional representatives as needed by the site. This list will be adapted as appropriate to the ESC.

The SMART may be a revision of the former Healthy

Advocacy Response Team (HART). The SMART shall be designated by the name of the location as well as the SMART designation, e.g., Pierce SMART, Harbor SMART, City SMART or ESC SMART.

- 2.** Resource List: The College Title IX Coordinator, a member of the SMART, (or at the ESC the Title IX Coordinator) shall maintain a current list of community agencies from which individuals can receive further assistance. These referrals shall include but not be limited to: the counseling department, faculty advisors, women's reentry centers, health centers, campus law enforcement, the ASO office, the Employee Assistance program, employee representative, the union, rape trauma centers, medical facilities, rape counseling centers, and women's centers. These are resources to which sexual assault Reporting Individuals and/or Alleged Victims, as well as Respondents and Alleged Offenders may be referred for assistance. This list shall be provided to all sexual assault misconduct parties along with information regarding their rights, Complaints, and procedures.

The College Title IX Coordinator, a member of the SMART, (or at the ESC the Title IX Coordinator) shall be identified as the college (or ESC) point of contact for matters relating to Sexual Misconduct reporting, prevention, and response.

- 3.** At least one member of the Sexual Misconduct Awareness and Response Team should be designated as a First Responder. If this is not the College Title IX Coordinator, the First Responder must report all incidents to the Title IX Coordinator as soon as possible. Ideally, the First Responder is the first official contact with a person alleging to have been sexually assaulted. First Responders will ensure that Alleged Victims of Sexual Misconduct are informed of the college, District, and community resources available to assist them, including campus law enforcement (see below). First Responders should be qualified and trained to respond to people who may be in crisis, having just experienced a traumatic event. Students may serve on the College Sexual Misconduct Awareness and Response Team but should not be designated as First Responders unless they are also

employed by the college and are otherwise qualified.

- 4.** Alleged Victims of Sexual Misconduct in the District (at a College or in the ESC) have an option to notify either a First Responder from the Sexual Misconduct Awareness and Response Team or District security/college law enforcement (at all locations this is the Sheriffs' Department) of the incident. If a sexual assault is first reported to an employee who is not a First Responder, a Title IX Coordinator, or college law enforcement, that employee is a Responsible Employee as defined herein and is obligated to report what he/she has been told to a Title IX Coordinator. The Responsible Employee may also provide the Alleged Victim with the option of reporting to a Title IX Coordinator or to College law enforcement.

B. Student Respondents

- 1.** When a Respondent/Alleged Offender is a student, consistent with the Student Discipline Procedures set out in Article XI, section 91101.11 b, several levels of discipline are possible. In cases of Sexual Misconduct by a student, sanctions (disciplinary actions) shall be equivalent to the discipline issued for an employee or other non-student Respondent; e.g., if an employee is to be suspended (or terminated) from his/her job, the student would be suspended (or expelled) from school.
- 2.** Complaints alleging Sexual Misconduct by a student will be investigated by a Compliance Officer. If a student Respondent is determined responsible for the acts alleged, the matter may be referred for student discipline. Any interim sanctions should follow the student discipline process in Chapter IX, Article XI of the Board Rules.

C. Employee Respondents

The procedures set forth herein apply to employee respondents unless otherwise explicitly stated, such as those related to Student Respondents, immediately above.

- D.** When the Compliance Officer completes an investigation, he/she shall submit a report to the college president or, at the ESC, to

the Deputy Chancellor. The college president or Deputy Chancellor determines whether or not the Respondent is responsible for the acts alleged.

IX. Sexual Misconduct (including prohibited acts of sexual assault, domestic or dating violence and stalking) Complaint Response

When any District Responsible Employee receives an initial complaint (written or oral) of Sexual Misconduct (including complaints of sexual assault, dating violence, domestic violence and stalking), the employee must immediately refer the Reporting Party and/or Alleged Victim to the District Office for Diversity, Equity & Inclusion or the appropriate College Title IX Coordinator, depending on location where the report is made. In addition, all employees shall ensure that a written resource guide is provided to the Alleged Victim, or the Reporting Individual, if the identity of the Alleged Victim cannot be ascertained. The resource guide shall contain sufficient information that ensures the Alleged Victim and/or Reporting individual are apprised of the following in writing:

- 1.** Inform the Reporting Individual and/or Alleged Victim, and to the alleged offender (if identified) about District policy for handling Sexual Misconduct Complaints, including information about privacy and Confidentiality, and about resources (both on and off campus) which are available to him or her to help with handling this matter;
- 2.** Inform the Reporting Individual and/or Alleged Victim of the possible need to preserve medical evidence which may affect future legal or disciplinary action;
- 3.** Inform the Reporting Individual and/or Alleged Victim that the Title IX Coordinator and the College Title IX Coordinator are required to report the incident. The Title IX Coordinator should also inform the Reporting Individual

and/or Alleged Victim that, if she/he does not want an investigation, then he/she may speak to someone who can maintain the Reporting Individual's and/or Alleged Victim's Confidentiality. One individual who can maintain Confidentiality is a Mental Health Professional in the Health Center who is acting in his or her professional capacity. An employee at the Educational Services Center who wishes to make a confidential report may be advised to contact the EAP/MHN or go to a local women's center or rape crisis center;

- 4.** Inform the Reporting Individual and/or Alleged Victim of her/his right to report this matter to either campus or ESC law enforcement and/or the local Police Department; and
- 5.** Inform the Reporting Individual and/or Alleged Victim of legal and disciplinary options available to her/him to have the matter addressed, including:
 - a.** criminal prosecutions;
 - b.** civil action; and relevant District disciplinary process (and that utilizing this resource does not preclude taking criminal or civil remedies).

B. When an allegation of Sexual Misconduct is made to campus or ESC law enforcement, campus/ESC law enforcement shall also do the following:

- 1.** Provide immediate medical attention as may be required;
- 2.** Inform the Reporting Individual and/or Alleged Victim in writing of any possible need to preserve medical evidence which may affect future legal or disciplinary action;

- 3.** Confidentiality: Inform the Reporting Individual and/or Alleged Victim that law enforcement is required to inform the Title IX Coordinator at their location of the matter to evaluate the need for further actions under District policy to ensure the report is appropriately addressed. The Alleged Victim must be told in writing that they have the right to request their name be redacted from the police report associated with their report. If confidentiality of their name is requested, law enforcement shall not report the name of the Alleged Victim to the Title IX Coordinator unless otherwise required by law but will share other pertinent information about the reported incident, including the name of the Respondent and location of the incident. Law enforcement will provide written information to the Reporting Individual/Alleged Victim that if she/he does not want an investigation, then she/he might choose to go to the Health Center on campus and speak to a Mental Health Professional, acting in his or her professional capacity, or for an ESC employee, contact the EAP/MHN, and avoid the reporting requirement;
- 4.** Attempt to identify the alleged offender;
- 5.** Resources: Provide the Reporting Individual and/or Alleged Victim and the Respondent with referrals to appropriate community agencies from which she/he can receive further assistance. These referrals shall include but not be limited to sites such as: the college counseling department, faculty advisors, women's reentry centers, health centers, campus or ESC law enforcement, the ASO office, the Employee Assistance Program (Mental Health Network) [EAP/MHN], employee representatives, the unions, Advocates, rape crisis centers, medical facilities, rape counseling centers, mental health facilities, and women's

centers;

- 6.** Inform the Reporting Individual and/or Alleged Victim of possible legal and disciplinary options for the Respondent if found responsible, including any or all of the following:
 - a.** criminal prosecutions,
 - b.** civil action, and
 - c.** relevant District disciplinary action.

 - 7.** Within twenty-four (24) hours of being notified of an alleged act of Sexual Misconduct, the campus/ ESC law enforcement shall notify the President/Deputy Chancellor and College Title IX Coordinator of the alleged Sexual Misconduct, including the alleged victim's name unless the individual has requested their name be redacted from the police report as permitted by law.
- C.** The President/Deputy Chancellor or his/her designee shall refer a student Reporting Individual and/or Alleged Victim to the Title IX Coordinator at the student's location for assistance if he/she experiences academic difficulties that may arise as a result of the sexual assault and its impact on the student. The Title IX Coordinator, in cooperation with the Vice Presidents of Academic Affairs and Student Services may provide any involved students interim support measures to minimize the possibility of any further negative impact of the alleged Sexual Misconduct on the students involved in the underlying incident. In addition, the President/Deputy Chancellor or his/her designee shall refer a non-student involved in an alleged incident of Sexual Misconduct to the Title IX Coordinator for that location for interim supportive assistance in their workplace.
- D.** Interim measures shall be implemented by the Title IX Coordinator at that location as required by the situation to separate the Alleged Victim and the Respondent, as appropriate. Such interim measures may include moving one party to another section of

the same class or to a different online location, providing the Alleged Victim with an escort across campus, or permitting the Alleged Victim to take exams in a different location from the Respondent and/or alleged offender and any similar action(s) intended to separate the parties and reduce the stress on them arising from this incident and these allegations.

The Office for Diversity, Equity & Inclusion and each College shall also maintain a current written list of community resource agencies to which individuals reporting allegations Sexual Misconduct, including Sexual assault, domestic or dating violence and stalking, can seek. Respondents, i.e. individuals accused of Sexual Misconduct will also be given written referral to any appropriate community resources. The list shall contain the same resources referred to in Section VIII.A.2, above. The list of resources will be distributed widely, including being made available electronically to be immediately accessed at any time on the District's and Colleges' Title IX websites.

- E.** The Reporting Individual and/or Alleged Victim shall be kept informed of the status of disciplinary proceedings against the Respondent arising from the alleged Sexual Misconduct, and the results thereof to the extent allowed by law.
- F.** No victim or witness in related investigations or proceedings will be subject to discipline by the College or District for related violations of conduct policies occurring at or near the time of the reported incident of Sexual Misconduct unless the District or College determines the violation was egregious, including but not limited to plagiarism, cheating, academic dishonesty or conduct that places the health and safety of any other person at risk.
- G.** The President/Deputy Chancellor or his/her designee shall ensure that information regarding reporting Sexual Misconduct on campus, including the name of the District Title IX Coordinator and College Title IX Coordinator, is referenced in college publications such

as the catalog, schedule of classes, and the college website. Such references shall indicate that the written list of resources referred to in VIII.A.2, above, may be obtained from the Title IX Coordinator at that location, or from college/ESC law enforcement. The list of available resources shall be updated on an annual basis.

X. Compliance Officer's Report

A. Within sixty (60) calendar Days after a report of a violation of Board Rule XV is assigned within the Office for Diversity, Equity & Inclusion for investigation, the Compliance Officer shall complete an investigation and make a written report to the College President or, at the ESC, to the Deputy Chancellor. A copy of the Compliance Officer's report shall be sent to the Director of ODEI. In the case of a Sexual Harassment or Sexual Misconduct investigation, a copy of the Compliance Officer's report shall also be sent to the Title IX Coordinator.

B. Oral Presentation Letter:

The College President, or the Deputy Chancellor at the ESC, shall send by certified mail, return receipt requested, to the Reporting Individual and/or Alleged Victim and to the Respondent a summary of the Compliance Officer's report in an Oral Presentation Letter. In order to protect rights of privacy and minimize the risk of retaliation, the full report shall be confidential to the person responsible for making the Written Decision and shall not be provided to the Reporting Individual and/or Alleged Victim or Respondent except as required by legal process.

The Oral Presentation Letter notifies the Reporting Individual and/or Alleged Victim and the Respondent that they have the right to make an oral statement to the College President or for employees at the ESC, to the Deputy Chancellor, provided the person wishing to do so makes himself or herself available within fifteen (15) Days from receipt of the summary of the report.

C. If the allegations implicate a College President, the report shall be made to the Chancellor. If the allegations implicate a Vice

Chancellor or anyone else under the direct supervision of the Chancellor, the report shall be submitted to the Chancellor with a copy to the Board of Trustees. If the allegations implicate the Chancellor, the report shall be made to the Deputy Chancellor, with a copy to the Board of Trustees. If the Complaint implicates a Compliance Officer or the Director for Diversity, Equity, and Inclusion, the Complaint shall be referred to the Deputy Chancellor, who shall appoint another Compliance Officer to investigate and who shall perform the duties of the Director of Diversity, Equity, and Inclusion in carrying out this policy.

- D.** A summary of the report shall be provided to the Reporting Individual and to the Alleged Victim, if different, as well as to the Alleged Offender. In order to protect rights of privacy, the full report shall be confidential to the person responsible for making the Written Decision, and shall not be provided to the Reporting Individual, Alleged Victim, or Alleged Offender, except as required by legal process.

XI. Decision

- A.** The College President or the Deputy Chancellor shall send the Written Decision by regular mail and by certified mail, return receipt requested, to the Reporting Individual and/or Alleged Victim and to the Respondent, pursuant to subsection "B" below, with their respective Appeal rights. The Director of ODEI, shall be responsible for forwarding a copy of the Written Decision to the State Chancellor's Office when required by Title 5, Section 59336.

In cases involving Sexual Harassment and Sexual Misconduct, including combined cases, pursuant to the requirements of Title IX of the Education Amendments of 1972, the Written Decision shall be made within sixty (60) Days. In all types of cases, the Written Decision shall include the following:
 - 1.** The determination by the College President or Deputy Chancellor whether a preponderance of evidence supports

a finding that Prohibited Discrimination, Unlawful Harassment, and/or Sexual Misconduct, occurred with respect to each allegation in the Complaint;

2. The proposed resolution of the Complaint and action to be taken to prevent similar occurrences in the future, if appropriate; and

3. The following statement:

"Please note that the Reporting Individual and/or Alleged Victim, and in Sexual Misconduct cases also the Respondent/Alleged Offender, have the right to Appeal this determination to the District's Board of Trustees by submitting a written Appeal to the District Chancellor's Office within fifteen (15) Days from the date of this notice. The Board may review the matter and act within forty-five (45) Days of receipt of the Appeal. If the forty-five (45) Days have elapsed without action by the Board of Trustees, this Decision is considered the final District Decision.

4. In cases not arising from or related to employment, the Written Decision will also include the following statement: "Please note further that the Reporting Individual and/or Alleged Victim, and in Sexual Misconduct cases the Respondent/Alleged Offender, have the right to file a written Appeal with the State Chancellor within thirty (30) Days after the final District Decision is issued by the Board of Trustees, or the forty-five (45) day period has elapsed, whichever comes first."

This statement shall not be included for any matters involving allegations of Prohibited Discrimination on the basis of Pregnancy, Marital Status, Veteran's Status, or for Cancer-related Medical Condition of an employee because the California Education Code, Title 5, provides no right of Appeal to the State Chancellor for such matters.

C. All final Written Decision letters which sustain the allegation(s) and are sent to parties who are employees shall also include the following statement:

"In accordance with paragraph 11C of the District's Procedures

for Prohibited Discrimination, Unlawful harassment, and Sexual Misconduct Complaints, a copy of this written Decision shall be placed in your personnel file in a sealed envelope. You have a right to submit a response to this Decision, which will also be placed in your personnel file.”

“In accordance with paragraph 11D of the District’s Procedures for Prohibited Discrimination, Unlawful harassment, and Sexual Misconduct Complaints, your transcripts shall be annotated with one of the following, as appropriate: ‘Disciplinary Expulsion,’ ‘Disciplinary Suspension,’ ‘Disciplinary Action being Appealed,’ or ‘Withdrawal Pending Conflict Resolution’.”

- E.** If the Complaint or alleged violation implicates the Chancellor, and does not arise from or is not relate to employment, the report shall include XI.B.1 and XI.B.2, above, and the following statement:

“The Reporting Individual and/or Alleged Victim, and in Sexual Misconduct cases also the Respondent have the right to file a written appeal of this Decision with the State Chancellor's Office of the California Community Colleges within thirty (30) Days from the date of this Decision.”

Pursuant to the California Education Code, Title 5, this statement shall not be included, and there shall be no right of appeal to the State Chancellor, for any matters involving allegations of Prohibited Discrimination on the basis of Pregnancy, Marital Status, Veteran’s Status, or for Cancer-related Medical Condition of an employee.

- F.** A copy of a Written Decision which sustains the allegations shall be placed in a sealed envelope in the personnel file of any employee involved as a Reporting Individual and/or Alleged Victim and as a Respondent. Said employee has a right to submit a response to the Written Decision, which will also be placed in the employee’s personnel file.

- G.** In accordance with paragraph XI.D of the District’s Procedures for Prohibited Discrimination, Unlawful harassment, and Sexual Misconduct Complaints, the transcripts of a student Respondent who has been found responsible for the alleged violations shall

be annotated with one of the following, as appropriate:

Action being Appealed,' or 'Withdrawal Pending Conflict
Resolution'."

XII. Disciplinary Action

- A.** Due Process: Disciplinary actions, if any, shall be pursued in accordance with the Respondent/Alleged Offender's due process rights, as defined by law, the Board Rules, the Personnel Commission, Student Discipline Policy and Procedures, and/or any applicable collective bargaining agreement or Memoranda of Understanding.
- B.** When a determination has been made that disciplinary action is to be taken, the College President or, at the ESC, the Deputy Chancellor or Chancellor, or his or her designee, shall initiate the applicable disciplinary process within ten (10) business Days of issuing the Written Decision or, for good cause, as soon thereafter as is practical.

In Sexual Misconduct (Title IX) cases, all parties to the matter (Respondent and Reporting Individual and/or Alleged Victim) must receive the same notifications, mailed at the same time, regarding all steps of the disciplinary process. They must all be given equivalent rights to be heard and access to an Advocate, and must receive comparable notification of the outcome of the disciplinary actions, subject to legal and District limitations related to the privacy of the parties. All parties must be notified that disciplinary action is being taken, with specific details sufficient to ameliorate concerns of the person who was the object of the violations, subject to legal and District limitations related to the privacy of the parties.

Failure by a receiving Supervisor or Administrator to proceed promptly with the disciplinary action shall be a basis for discipline, up to and including discharge. The receiving Supervisor or Administrator shall report the status of the disciplinary process in a timely and regular manner to the College President, or, at the ESC, to the Deputy Chancellor or the Chancellor. A copy of the report shall also be filed with the Title IX Coordinator and the Office for Diversity, Equity, and Inclusion.

- C.** Employees. Disciplinary actions, if any, shall be pursued in accordance with the Respondent's due process rights, as defined

by law, the Board Rules, the Personnel Commission, and/or any applicable collective bargaining agreement or Memoranda of Understanding. Disciplinary action against employees shall include, without limitation, verbal warnings, letters of reprimand, Notices of Unsatisfactory Service, suspensions, demotions or dismissals.

- D.** Students. Any disciplinary actions against a student shall be pursued in accordance with the California Education Code and the Board Rules (i.e., Chapter IX, Article XI). Disciplinary actions pursuant to Chapter IX, Article XI may include, but not are limited to, warnings, probation, suspension or expulsion.
- E.** A Respondent's due process rights shall generally require the production of a summary of the Compliance Officer's report at the time the Respondent is served with charges in support of a potential loss of pay or expulsion. However, some portions, such as student records, witnesses' telephone numbers or addresses, may be blocked out to protect privacy interests.
- F.** In all cases, when a College President or the Deputy Chancellor has determined that probable cause exists to support a finding of Sexual Misconduct, then the matter shall also be reported to the College or ESC Title IX Coordinator for record-keeping purposes.

XIII. Appeals

- A.** Appeals by the Reporting Individual and/or Alleged Victim in Prohibited Discrimination and Unlawful Harassment cases (not in Sexual Misconduct cases) shall be handled as described below:
 - 1.** For Complaints implicating anyone other than the Chancellor, if the Reporting Individual and/or Alleged Victim is not satisfied with the Written Decision that has been made, he or she may file a written appeal to the Board of Trustees within fifteen (15) Days from the date the Written Decision was postmarked. The Appeal shall state with particularity the basis for the Appeal.
 - 2.** For Complaints implicating the Chancellor, the Written Decision by the Board of Trustees shall constitute the final Decision of the District.

- B.** Appeals by the Respondent in Prohibited Discrimination and Unlawful Harassment cases (not in Sexual Misconduct cases) shall be handled as described below:
- 1.** Appeals of the Written Decision by the Alleged Offender shall be made by making the appropriate challenges within the course of the applicable disciplinary process.

C. Appeals of Sexual Misconduct cases:

In the event any party to a Sexual Misconduct case is not satisfied with the Written Decision, he or she may file a written Appeal to the Board of Trustees within fifteen (15) Days from the date the Written Decision is postmarked. The Appeal shall state with particularity the basis for the Appeal. Immediately upon receiving the Appeal, the Executive Secretary to the Board of Trustees must inform the Director of ODEI, or the Title IX Coordinator. The individual informed of the Appeal must then promptly notify the other party(ies) of the Appeal and of their right to participate in the Appeal process.

Notice to the non-appealing party (parties) shall state that an Appeal has been filed and shall offer them an opportunity to attend and present at a hearing and/or submit a written response, all within fifteen (15) working Days from the date notice was mailed. This additional Appeal will be considered along with the initial Appeal filed by the other party.

D. Action by the Board of Trustees:

The Chancellor shall present the written Appeal, the Written Decision, the Compliance Officer's report and the Complaint to the Board of Trustees in closed session. The Board of Trustees may review the Decision and act within forty-five (45) Days. XIV. Additional Remedies

A Reporting Individual, and/or Alleged Victim is entitled to pursue independently civil law remedies, including but not limited to injunctions, restraining orders, or other orders. An individual who believes that he or she is the victim of unlawful discrimination may file a Complaint with the Department of Fair Employment and Housing (DFEH), and the Equal Employment Opportunity Commission (EEOC).

Non-employment related Complaints may be filed with the Office for Civil Rights, United States Department of Education (OCR). These may be pursued without regard to whether the individual chooses to utilize the District's internal Complaint procedures described herein.
