CONSTITUTION

for the

of

Los Angeles Southwest College

We, the students of Los Angeles Southwest College, do establish this Constitution of the Associated Students Organization, for the purpose of instituting a useful and effective system of government, to better define the powers and duties of our student government, and to promote sound educational and social activities for the benefit of the student body.

ARTICLE I – NAME

The name of this organization shall be the Associated Students Organization (ASO) of Los Angeles Southwest College (LASC).

ARTICLE II – PURPOSE

The purpose of the ASO of LASC is to represent all students and to sponsor activities including publications, assemblies, awards, student services, and club and social activities. The ASO shall promote student leadership, shared governance, academic improvement, student well-being, and cultural awareness and increase positive campus-to-community relations.

ARTICLE III – MEMBERSHIP

Section 1 - Active members shall consist of all officially registered students of LASC whose ASO fees in this Association are paid for the current semester, who bear a valid ASO sticker, and who maintain the Standard of Student Conduct, as stipulated in the college catalog.

Section 2 - The following privileges shall be granted to current ASO members, when they are under the power of the ASO.

Clause 1 – The privilege to vote in any ASO election, recall initiative, or referendum.

Clause 2 – If meeting eligibility criteria, the privilege to hold any ASO elected office, be appointed to an office, or serve on any committee.

Clause 3 – The privilege to receive discounts to ASO-sponsored activities and to be considered for any ASO-funded awards, as stipulated in the ASO Bylaws.

Clause 4 – The privilege to receive any other benefits the Student Council may determine.

ARTICLE IV – ELIGIBILITY FOR COUNCIL

The following standards governing candidate and officer (as defined by the ASO Constitution and Bylaws) eligibility for appointed and elected ASO officers must be met (Education Code Section 76061, Board Rules, Chapter IX, S-10 Regulations).

Section 1 - The candidate or officer must be a currently paid member of the ASO at the college where the election is being held and have successfully completed no more than 80 degree-applicable units in the Los Angeles Community College District (LACCD).

Section 2 - The candidate may seek only one campus office within the LACCD.

Section 3 - The candidate or officer must have and maintain a cumulative and current GPA of at least 2.0 in units completed at all the colleges in the LACCD during the semesters in which the student government office is applied for and held. “Current” means the most recently completed semester or session. The ASO Constitution may not set a higher GPA requirement.

Section 4 - The candidate or officer must not be on academic or progress probation, as defined by LACCD Board Rule 8200.10.

Section 5 - At the time of election, or appointment, and throughout the term of office, the candidate or officer must be actively enrolled in and must successfully complete a minimum of five (5) units per semester. The ASO Constitution may not set a higher unit requirement. Units in which a student receives an Incomplete (INC) will not be counted in determining the number of units completed. Students falling below this requirement will automatically forfeit their office. Students who forfeit office for failing to meet this unit requirement will not be reinstated if INC grades are converted to letter grades and units are awarded for those courses. Candidates may be enrolled in more than one college in the LACCD, but the candidate must be currently enrolled in a minimum of five (5) units at the college

where the candidate is seeking office. Officers must maintain that enrollment at the college where the office is held.

Section 6 - Exceptions to the maximum unit requirement in Article IV Section 1 may be made for students enrolled in a college degree, certificate, or transfer program where the combination of program requirements and prerequisites may result in the student exceeding the 80 degree-applicable unit limit.

Clause 1 - Exceptions will be decided by the College President based upon recommendations made by the Chief Student Services Officer. In order to be considered for an exemption, a student who exceeds the requisite 80 degree-applicable unit maximum must satisfy at least one of the following conditions:

- a) The requirements of the student's declared associate degree major, certificate, and/or transfer objective, as specified in the college catalog, caused the student to enroll in courses that exceeded the 80 degree-applicable unit maximum.
- b) Program prerequisites, as specified in the college catalog, caused the student to exceed the 80 degree-applicable unit maximum.

Clause 2 - A candidate or officer is ineligible for ASO office if he/she meets any of the following conditions:

- a) The candidate or officer has served more than four (4) semesters in any one (1) or more student government elected or appointed office in the LACCD.
- b) The candidate or officer exceeded the unit maximum in Article IV Section 1 and was granted an exception, but then fails to be enrolled in courses that are specifically required for his/her declared associate degree, certificate, or transfer objective requirements, as specified in the college catalog.

Section 7 - An officer may serve a fifth semester if eligible at the time of assuming office with the approval of the College President or designee (e.g., has served three semesters and is a candidate for an office with a one-year term).

Section 8 - The Chief Student Services Officer and/or designee will verify a candidate's or officer's eligibility. If the student should disagree with the findings of

the Chief Student Services Officer and/or designee, he/she can appeal the decision through the student grievance procedures contained in LACCD Administrative Regulation S-10. Officers not adhering to the standards for office will be required to forfeit their positions.

Clause 1 - Candidates or officers must comply with the minimum standards of the LACCD Code of Conduct. Failure to comply will result in forfeiture of the position if an ASO officer is suspended for more than ten (10) days from one or more classes, activities, services, programs, or specific locations at any college in the LACCD, under LACCD disciplinary provisions (Board Rules, Chapter IX, Article VIII, Sections 9801-9806).

Clause 2 - Any candidate or officer with a disability may request an accommodation, with the following conditions:

- a) The approval of the accommodation for candidates with a disability will be made in individual instances on a case-by-case basis by the Chief Student Services Officer in consultation with the college Compliance Officer and/or the Director of the Disabled Student Program and Services (DSPS) in compliance with Section 504 of the Rehabilitation Act and Title II of the Americans with Disabilities Act, as appropriate.
- b) Qualification for an accommodation will be based on the impact of the disability on the candidate's/officer's ability to take six (6) units. However, a candidate or officer must be enrolled in a minimum of five (5) units throughout his/her term in accordance with Education Code section 76071.
- c) Procedures for requesting an accommodation under S-9:
 - i. Candidates/officers must complete a written request form for accommodation available in the college's Student Services Office, and return it to the Chief Student Services Officer.
 - ii. Each candidate or officer must present written documentation verifying the disability. Acceptable documentation includes, but is not limited to, written notice from the college DSPS Office or from a certified or licensed professional, such as a doctor,

psychologist, rehabilitation counselor, occupational therapist, or physical therapist.
