CONSTRUCTION ALERT-177

Upcoming Construction Activities

- **East Pump House & Fire Water Upgrade**

Harper Construction will haul dirt from their laydown area at the South of the Baseball Field to the DB-1 Site Area. This work will be undertaken on **Saturday, June 25, 2011** and **Sunday, June 26, 2011**.

**Location:** The proposed haul route will be from the laydown area onto Southwest Drive via the Corner at the M&O Building. The route will then turn left across Lot 8 and then north on Denker to the east entrance of the SOAH site.

**Impact:** Traffic impact has been minimized by undertaking the work at the weekend. Harper will ensure traffic management when necessary.
