Dear Scholar,

Congratulations on your academic achievement! As a result of your dedication to scholarly success as demonstrated by your 3.4 GPA or above, the Phi Theta Kappa chapter of Los Angeles Southwest College (Beta Pi Omega) extends to you an invitation to accept membership in the International Honor Society of the Two-Year College. Membership eligibility is based on the number of hours you have completed and your outstanding GPA; therefore, membership is a special honor afforded to a small group of outstanding students.

Membership applications are available in the Center for Retention and Transfer (CRT) which is located on the second floor of the Student Services Building (Room 216). After induction, members must simply maintain a GPA of 3.0 and participate in planned academic and social activities to remain active members.

Phi Theta Kappa membership guarantees you access to more benefits than any other student organization. As a member, your academic excellence will be recognized with the Golden Key Membership Pin, membership certificate and identification card, notation of membership on your diploma and transcripts and the privilege of wearing regalia at graduation that sets you apart as a Phi Theta Kappa member.

Membership also provides exclusive access to a compilation of innovative benefits available to you online. Highlights of the online benefits include the eScholarship Directory, listing information on scholarships designated exclusively for Phi Theta Kappa members; letters of recommendation for scholarships and employment; and press releases announcing your induction into the Society. These benefits, accessible exclusively to Phi Theta Kappa members, give you the academic, scholarship and employment tools that will help you attain your goals for the future. For a complete listing of membership benefits, visit the Phi Theta Kappa website: www.ptk.org.

To learn more about the opportunities that accompany Phi Theta Kappa membership, please call Erika Miller at 323-241-5397 or email millerel@lasc.edu for more information.

Again, I congratulate you on your academic achievements. I encourage you to seize this valuable and rewarding opportunity and look forward to seeing your name among the next list of new Phi Theta Kappa members!

Sincerely,

President Jack E. Daniels
