Message from the President

Welcome to Los Angeles Southwest College!

On behalf of our faculty and staff, I want to welcome you to Los Angeles Southwest College. Founded in 1967 by Mrs. Odessa Cox and a dedicated group of residents, today the college serves more than 8,000 students. We offer associate degree programs in 34 disciplines, occupational certificates in 47 disciplines and ESL/citizenship classes.

As Interim President, I congratulate you on making one of the most important decisions of your life—attending college. Today the link between increased education and earning more money in a person’s lifetime is stronger than ever. In fact, it is predicted by economists that California will soon be paying wage premiums for job applicants with certificates or college degrees. Whatever your reason for coming to Southwest, I know that your life will be enhanced once you complete your education.

Remember that we are here to serve our students. We offer a wide array of free services that successful students use on a regular basis including the Student Success Center that offers academic tutoring. We also offer financial aid application assistance, counseling to determine the right courses you should be taking to achieve your educational goal, a Student Health Center, etc. All of these services can be found on the college’s website.

As you begin your educational career at Southwest, I wish you the best!

¡Bienvenido a Los Angeles Southwest College!

En nombre de nuestros docentes y personal, quiero darles la bienvenida a Los Angeles Southwest College. Como Presidente Interino, le felicito por hacer una de las decisiones más importantes de su vida — asistir a la Universidad. De hecho, se predice por economistas que California muy pronto estará pagando bonos salariales para solicitantes de empleo con certificados o diplomas universitarios. Cualquiera que sea su razón de venir al Colegio Southwest, sé que su vida mejorará una vez que termine su educación.

Recuerde que estamos aquí para servir a nuestros estudiantes. Ofrecemos una amplia selección de servicios gratuitos que estudiantes exitosos utilizan de manera regular, incluyendo El Centro Para el Éxito del Estudiante que ofrece tutoría académica. **NON-RESIDENT TUITION EXEMPTION (AB540)**

AB 540 was signed into California law on October 12, 2001 to authorize students who meet certain criteria to pay “in state” or “resident’s” tuition rates (only $36 per unit at Los Angeles Southwest College). This includes undocumented students. To be eligible, students must:

- Have attended a California high school for three or more years (9th grade counts)
- Have graduated from a California high school or obtained the equivalent of a high school diploma (how long-ago does not matter)
- Be willing to apply for legal residency as soon as possible

To take advantage of this lower tuition rate, simply fill out the AB540 Exemption Form available in the Admissions Office and Bridges to Success. There is no maximum number of years for which you can receive this lowered tuition rate. For more information, call (323) 241-5321 or (en Español) (323) 241-5281. **NOTE:** Effective Spring 2014, AB540 students are eligible to apply for and receive non-state funded scholarships and state funded financial aid and grants (See Financial Aid for more information).

**NON-RESIDENT STUDENTS**

Starting with the summer 2009 undocumented students who do NOT qualify for the AB 540 tuition exemption shall be entitled to exemption from nonresident fees on the basis of individual financial need in accordance with regulations adopted by the Chancellor (LACCD Board Rule 8100.15). If the students meet the eligibility requirements on the Nonresident Tuition Fee Waiver (available in Admissions and Records, Financial Aid and Bridges to Success), they may be eligible to receive a nonresident tuition exemption and ONLY pay the current enrollment fee of $36 per unit. Undocumented students do not qualify for state or federal financial aid.

**EXONERACIÓN DEL PAGO DE MATRÍCULA COMO NO RESIDENTE (AB540)**

La ley AB540 fue firmada en California el 12 de octubre de 2001 para permitir que estudiantes que cumplan con ciertos requisitos sean exentos de los pagos de matrícula como no residentes y solamente paguen la cuota de inscripción actualmente de $36 por unidad en Los Angeles Southwest College. Esta ley incluye a estudiantes indocumentados. Para ser elegibles, los estudiantes deben cumplir con los siguientes requisitos:

- Haber asistido a una escuela preparatoria (high school) en California por un mínimo de tres años (el 9º grado también cuenta)
- Haberse graduado de una preparatoria en California o haber obtenido un certificado equivalente al diploma de preparatoria como el GED (no importa cuando lo obtuvo)
- Estar de acuerdo en aplicar para residencia legal tan pronto como sea posible.

Para tomar ventaja de esta oportunidad y pagar solo $36 por unidad, simplemente complete la forma AB540 en la Oficina de Admisiones y el Centro Puentes al Éxito. No hay límites de años en los cuales usted puede aprovechar esta oportunidad. Para más información llame al (323) 241-5281.

**ESTUDIANTES NO RESIDENTES**

NEW AND UPCOMING REGULATIONS
EFFECTIVE SUMMER 2012

Please note: The Census date is a date in which all enrollment at Southwest is counted and reported to our District Office in order to determine our campus funding (apportionment). The Spring 2014 Census Date is September 9, 2013.

1. All courses must be added before the census date (September 9, 2013 is the deadline to add classes).

2. All courses must be dropped before the census date to avoid receiving a “W” grade (receipt of “W” grades in the same course will have further consequences). The period of time to drop a course without record of enrollment has been reduced. The deadline to drop without receiving a “W” grade now occurs before the census date. Drops that occur on or after the census date will result in a “W” grade. (Sunday, September 8, 2013 is the deadline to drop to avoid a “W” grade).
   • This should encourage you to make a decision to drop a class earlier
   • This will allow faculty the ability to make add decisions sooner (which will allow more students to be added – even sooner).
   • Use of the same add and drop date will reduce confusion.
   • Adding courses before census increases the number of students counted in apportionment.

3. Students receiving a satisfactory grade may not repeat a course (exceptions follow)*.
   If you must repeat a course in which you have received a passing grade due to any of the reasons below, you must obtain the Third Repeat Petition from the Office of Admissions and Records, complete the form, and return to Admissions no later than August 16, 2013.

4. Students receiving a satisfactory grade may repeat the same course due to extenuating circumstances:
   a. Due to legally mandated training – if necessary to meet legally mandated training requirements as a condition of paid or volunteer employment.
   b. Course is a special course for students with disabilities which the student needs to repeat for one of the reasons described in section 56029 of the California Code.
   c. Recency - student is required to have taken the course within the past five years for admission to a college program.
   d. Extenuating circumstances – documentation is provided to show that previous grade was, at least in part, the result of extenuating circumstances.

5. The Board of Governors adopted regulations that limit apportionment for enrollment in a single course to three enrollments** for any credit courses taken within the Los Angeles Community College District except for courses identified as “repeatable”, such as PE and performing arts, in accordance with Title 5, section 55041, subdivision (c).

   **Enrollment occurs when you receive an evaluative (letter grade) or nonevaluative (“W”) symbol, pursuant to Section 55023. You will not be able to add courses in which you have three prior attempts with record of enrollments (“W”, NP, NC, D, or F grades).

All credit course repeats and withdrawals in your enrollment history in the LACCD will be counted towards the new limit, regardless of when you took the course. If you need to repeat a course in which you have three or more records of enrollment:
   • You may take the course outside of the Los Angeles Community College District.
   • You may petition to retake the course within the district (subject to certain conditions) with extenuating circumstances – this 4th repeat will not count in apportionment.

WHAT SHOULD YOU DO?
   • Be sure that you are academically prepared for classes that you enroll in (See a Counselor).
   • If you must drop a course, drop before the specified deadline for dropping a class without a grade of “W” – September 8, 2013 is the No Penalty Drop Deadline for Spring 2014.
   • See a counselor before making decisions that could affect your education plan.
   • See financial aid before making decisions that may affect your financial aid.
   • Register for classes early (on your assigned registration appointment time).
   • Read your email from the campus – it is now being sent to your District Assigned Email Address ONLY!
   • We want to keep you informed of important dates and deadlines.
   • Take your education seriously your present actions and decisions affect your future.

**ITV/The Weekend College** classes allow students to complete general education classes in a focused eight-week format. The classes are offered on four campuses: City [C] and Southwest [SW] Colleges on Saturdays and Valley [V] and Pierce [P] Colleges on Sundays. The first college listed is AM only 6:00-12:00 Noon. The second college listed is PM only 1:30-4:30 PM. Students attend only one class meeting each weekend and may attend at any location.

The classes are taught by the same instructor at each campus. All classes are taught in a highly effective “blended format” combining the weekend class meetings with online activities and half-hour video lessons creating a dynamic learning environment for all students. Video lessons are available on cable television in the City of Los Angeles and in broadband, on DVD and in the College Learning Resource Centers on campus.

Students enroll online using the Student Information System, selecting ITV as the campus. Students are advised to consult with a College Counselor when planning their Associate Degree or transfer program. For questions or registration assistance, call 818/833-3595. Financial aid is available for qualified students; fee waivers also apply to these classes. Transcripts are issued by L.A. Mission College.
