# LOS ANGELES SOUTHWEST COLLEGE

## IGETC 2008-2009 INFORMATION

### WHAT IS IGETC?

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a California community college to a campus in either the University of California or California State University system without the need, after transfer, to take additional lower division general education courses to satisfy general education requirements of the receiving 4-year institution.

### WHAT ARE THE IGETC EXCEPTIONS—WHO CAN'T USE IGETC?

Students transferring to any University of California campus (at Berkeley, Davis, Irvine, Los Angeles, Merced, Riverside, San Diego, San Francisco, Santa Barbara, and Santa Cruz) should check with the particular university and/or counselor before using IGETC. Admissions requirements for transfer students vary within Colleges of each campus. In general, IGETC is **not** recommended for students majoring in biological sciences, computer science, engineering, environmental studies, geological sciences, and fine arts in theater or music.

Students who began their collegiate work at a University of California campus and who intend to transfer back to any UC campus cannot use IGETC. Students in this category must follow the General Education Breadth Requirements of the campus to which they are transferring.

### WHAT IS CERTIFICATION?

Los Angeles Southwest College will verify the completion of the Intersegmental General Education Transfer Curriculum for transfer to either the University of California or the California State University system. Students who complete the entire IGETC curriculum with grades of "C" or better in all courses can have their general education certified by Los Angeles Southwest College. Up to 15 units of coursework in which a "credit" or "pass" is received will be certified, providing either is equivalent to a grade of "C" or better. Although not part of the IGETC, Los Angeles Southwest College will also certify the completion of the CSU US History, Constitution and American Ideals graduation requirement.

### WHY SHOULD I HAVE MY COURSES CERTIFIED?

To earn a Bachelor's degree from UC or CSU, students must complete a program of general education. Los Angeles Southwest College will certify the completion of all lower division general education requirements for graduation from UC or CSU. Students who transfer without certification will have to meet the general education requirements of the specific UC or CSU campus to which they are transferring. This usually requires completion of additional courses after transfer.

### WHAT ABOUT COURSES TAKEN AT OTHER COLLEGES?

Los Angeles Southwest College will certify courses taken at other colleges and universities accredited by a regional Association of Schools and Colleges. Los Angeles Southwest College will place courses taken at other California community colleges in the IGETC areas identified by the offering college. Courses taken at 4-year schools must be equivalent to courses offered at Los Angeles Southwest College. These courses will be placed in the subject areas in which the comparable LASC courses fit into this IGETC pattern. Courses completed at foreign institutions are not acceptable except for certification of competence in a language other than English.

### HOW DO I GET MY COURSES CERTIFIED?

IGETC must be certified before transfer. Certification is NOT automatic and must be requested. The request for certification must be made in the Admissions Office when students request their final transcript be sent to a UC or CSU. Students must have completed 3 units at Los Angeles Southwest College in order to have courses certified. **Students should generally NOT request certification until all IGETC requirements have been completed**, though it is possible to obtain Partial Certification if one or two classes are remaining to be completed. In order to be certified, ALL official transcripts must be on file from every college attended. **The last college attended completes the certification.**

Students using two years of high school foreign language to satisfy the UC "Language Other Than English" requirement (IGETC Area 6) must have official copies of high school transcripts on file. This requirement may also be met by providing official documentation showing satisfactory completion, with the equivalent of a "C" grade or better, of two years of formal schooling at the sixth grade level or higher at an institution where the language of instruction was not English. Exam results used to meet this requirement must be on file at Los Angeles Southwest College.
