

CONSTRUCTION ALERT-034

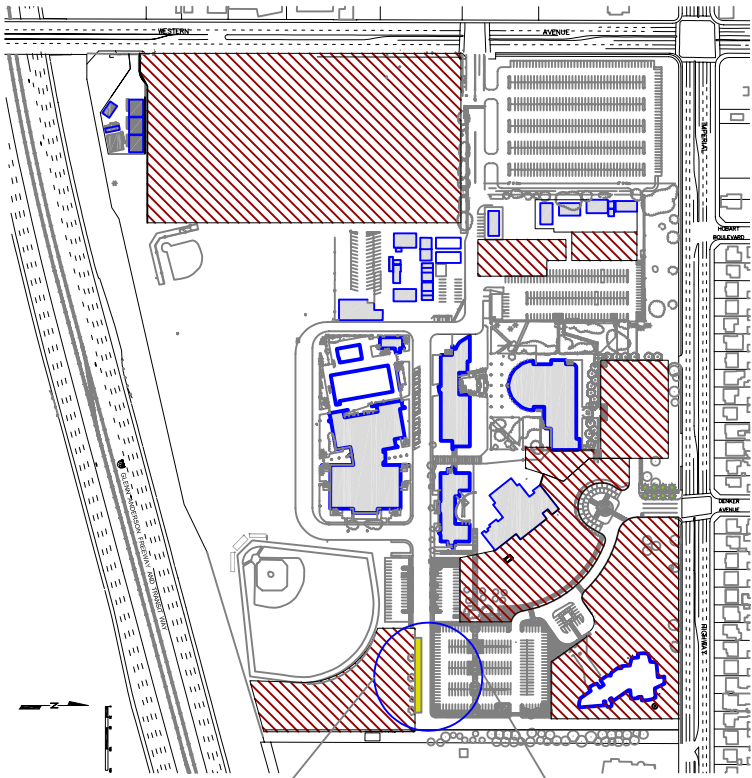

Upcoming Construction Activities

Temporary Partial Closing of Southwest Drive (East-West) along the south side of Lot 8 for Future Maintenance & Operations Facility (M&O).

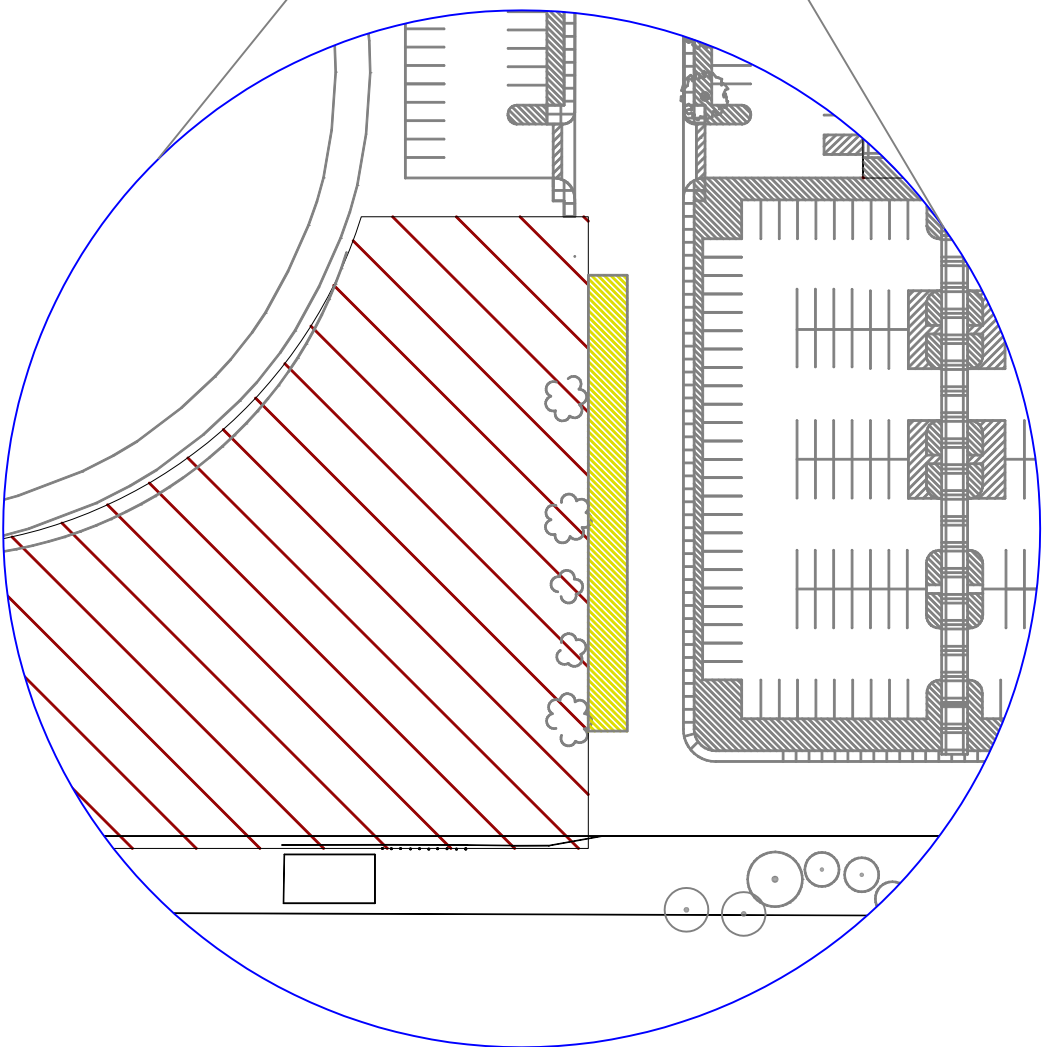

Southwest Drive, Future M & O Site

- 1) One lane at the east section of Southwest Drive will be temporarily closed for installation of underground utilities for the future M & O. (Refer to Map on the back.)
- 2) One lane closure will commence early morning of March 22, 2007, Thursday and reopening is scheduled for March 28, 2007, Wednesday.
 - **Impact:** During construction work hours, one lane will be open for vehicles with assistance by 2 flagpersons. After construction hours, both lanes will be available for vehicles.
