

# President's Message

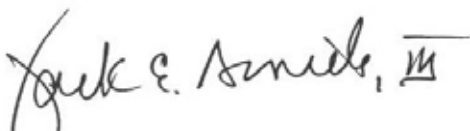

Welcome to Los Angeles Southwest College!

It is truly a pleasure for me to welcome you to Los Angeles Southwest College. This catalog provides you with valuable information about resources and options to meet your career and educational goals. Through this catalog, you can learn about the more than 40 programs that we offer and the nearly 530 course offerings through various formats. We are very proud of our faculty and staff as they continue to provide learning experiences and services in their commitment to your success.

We are in the midst of an aggressive building program. Three new buildings that will house our child development program, student services and enhanced lecture classrooms are being completed or are awaiting the beginning of construction. Additionally, our existing buildings, entrances and grounds will be remodeled and enhanced. This expansion and building could not have happened without our community's support of the A and AA facilities bonds. As we continue our aggressive plans, our priority will always be our service to you, the learner.

Thank you for allowing Los Angeles Southwest College to provide the tools for you to accomplish your career, avocational and professional goals.

  
Jack E. Daniels III, Ph.D.  
Interim President
