Effective spring 2013, Admissions & Records began using the L.A. Community College District (LACCD) issued student email addresses for all communications to students. Effective April 2, 2013, District student email addresses will be the official means of communication for the campus and the District. Please check your email regularly as important information from instructors, Financial Aid, Counseling and Admissions offices will be directed to your District email address.

For your convenience, you may forward your LACCD email to your personal email account. However, you are responsible for being aware of important dates and deadlines, policies and class-related notices. You may easily access your District issued email by logging into the Student Information System. If you need assistance retrieving your campus email, please contact the Office of Admissions & Records at 323-241-5321.

In addition to the transcript fee ($3.00 per copy; first two copies are free), you will be charged a $7.00 per copy rush fee to take your transcript with you. Please be aware that some institutions consider hand carried transcripts unofficial. Please check with your receiving institution before you request official transcripts to take with you.

All transcripts are mailed first class mail through the U.S. postal system.

- Online – Log into the Student Information System. Once logged in, go to the main menu and scroll down to the middle of the page. You will see the option to request transcripts and enrollment verifications online through the National Student Clearinghouse. You may not obtain your two free copies using this service. You must pay $3.00 per transcript, plus an additional $2.55 per copy convenience fee. You will be notified via email when your request has been processed at which time your credit card will be charged.
