# *College History*

Since its founding in 1967, Los Angeles Southwest College, home of the Cougars, has been devoted to social justice, closing equity gaps, and being a leader within the community to create intentional social change. We pursue academic excellence in all levels and are devoted to empowering students.

LASC is the product of decades of hard work, vision and perseverance to achieve the dream of its principal founder, Odessa B. Cox. The Cox family and a small group of community members started fighting in 1947 to bring a comprehensive community college to South Los Angeles. The path to today was not easy and was the result of the dedication of many.

Today, LASC continues to transform lives. With cutting edge facilities and program offerings, the college provides a safe space for students to find their voice, find their passion, and find the freedom to live the lives they want to live. We take pride in our high academic standards, our excellent programs and services, and our approach to meeting each unique student's personal needs to find success at LASC.

The smallest of nine colleges in the Los Angeles Community College District, LASC is also the fiercest and continues to cultivate a culture of care, being intentional about diversity and student success.

# *College Mission*

In honor of its founding history, Los Angeles Southwest College provides a student-centered learning environment committed to empowering students and the community to achieve their academic and career goals through the attainment of certificates and associate degrees leading to transfer and workforce preparation.

# *Welcome Remarks*

Gavin Newsom is the Governor of California and former Lieutenant Governor as well as Mayor of San Francisco.

Newsom is widely recognized for his bold willingness to lead – repeatedly developing, advocating, and implementing innovative and groundbreaking solutions to some of our most challenging issues. On a wide range of topics including same-sex marriage, gun safety, marijuana, the death penalty, universal health care, access to preschool, technology, criminal justice reform, and the minimum wage, Newsom stuck his neck out and did the right thing, which often led to sweeping changes when his policies were ultimately accepted, embraced, and replicated across the state and nation.

Newsom's top priorities for his administration are tackling our state's affordability crisis, creating inclusive economic growth and opportunity for every child, and standing up for California values from civil rights to immigration to environmental protection, education and increasing affordable access to quality schools at all levels, and justice.

Governor Newsom is married to Jennifer Siebel Newsom. They have four children: Montana, Hunter, Brooklyn, and Dutch.

# *Keynote Speaker*

Eric Garcetti is a fourth-generation Angeleno and the 42nd Mayor of Los Angeles.

Mayor Garcetti's life has been shaped by a deep commitment to the core values of justice, dignity, and equality for all people. These ideals have fueled the Mayor's relentless drive to fulfill our common obligation: to give children and families of every race, faith, background, and income the chance to get a good education, live on safe streets, earn a decent wage, breathe clean air and drink clean water, receive affordable medical and child care, and build a future of their own choosing.

Mayor Garcetti's life has been shaped by a deep commitment to the core values of justice, dignity, and equality for all people. Angelenos are experiencing the remarkable results of his vision and leadership, including the L.A. College Promise, one of the most ambitious higher education access programs in the nation — serving more than 15,000 Los Angeles Community College District students, many of whom are overcoming poverty and are the first in their families to pursue the dream of higher education.

He and his wife, First Lady Amy Elaine Wakeland, are the proud parents of a daughter, Maya, and have been foster parents for more than a decade.

# *LA SC Keynote Address*

Congresswoman Maxine Waters represents the 43rd Congressional District of California, which includes a large part of South Los Angeles including the communities of Westchester, Playa Del Rey, Watts and the unincorporated areas of Los Angeles County comprised of Lennox, West Athens, West Carson, Harbor Gateway and El Camino Village.

Congresswoman Waters is considered by many to be one of the most powerful women in American politics today. She has gained a reputation as a fearless and outspoken advocate for women, children, people of color and the poor.

She made history as the first woman and first African American Chair of the House Financial Services Committee. An integral member of Congressional Democratic Leadership, Congresswoman Waters serves as a member of the Steering & Policy Committee and is the Co-Chair of the bipartisan Congressional Task Force on Alzheimer's Disease. She is also a member of the Congressional Progressive Caucus, and member and past chair of the Congressional Black Caucus.

She is married to Sidney Williams, the former U.S. Ambassador to the Commonwealth of the Bahamas. She is the mother of two adult children, Edward and Karen, and has two grandchildren.

# *Academic Regalia and Degree Colors*

Academic regalia is a traditional form of clothing worn by those who have obtained a degree. The colors of the regalia symbolize the institution attended and the degree obtained.

# *Graduates and Honors Recognition*

Los Angeles Southwest College is proud of all our students and their accomplishments. Their success is the result of their hard work and the academic excellence of our institution.

On the following pages, some graduates and candidates for graduation will have one or two stars next to their name. One star (\*) means the student was named to the Deans' Honor Awards list. Two stars (\*\*) indicate that the student received a President's Honors list.

The Deans' Honors list recognizes students who have satisfactorily completed 12 or more units in a given semester with a 3.5 grade point average or who have completed six to 11.5 units in a semester with a 3.5 grade point average and have completed a cumulative total of 12 or more units with a 3.5 grade point average in all work attempted.

A student who received a President's Honors list award met the requirements for the Deans' Honors list for three consecutive primary semesters - either Fall or Spring semesters - with a 3.5 grade point average or higher.

Graduation honors are determined for Summer 2019 and Fall 2019 graduates. Spring 2020 candidates for graduation will have their honor status determined once final grades have posted and will be reflected on final transcripts as well as degrees.

Candidates for graduation will be considered graduates once they successfully complete their Spring and/or Summer courses. Once candidates for graduation successfully complete their coursework, they will be eligible for graduation honors.
