In Remembrance

Like so many throughout our nation and this world, Los Angeles Southwest College (LASC) was confronted with the devastating and tragic impact of the COVID-19 pandemic. Far too many of our students and employees lost family members and friends in the past year-and-a-half to COVID-19 complications. We would like to recognize two of these individuals who left an incredible mark on our campus and will not be soon forgotten: Kabwe Chanda and Obafemi Omolade.

Kabwe Chanda was a Regional Manager for the Los Angeles Community College District's (LACCD) Information Technology Department, which included overseeing the IT operations at LASC. Kabwe, who passed in April 2020, left a wonderful mark at LASC thanks to his incredible spirit. He was more than a co-worker, but a friend to almost all he interacted with. He was quick to smile and laugh and also quick to support his colleagues. He left behind a wife and a son.

Obafemi Omolade was studying in LASC's nursing program. Obafemi, who died in December 2020, had a friendly and upbeat nature that allowed him to easily make connections with his classmates even when the COVID-19 pandemic forced all learning online in March 2020. A native of Nigeria who also lived in England, Obafemi moved to the United States only a few years ago to further his education. He leaves behind a wife and a daughter.

Additionally, LASC would like to remember the life and tragic passing of student Mikeona Johnson. Mikeona was a mother and a student who was greatly respected and appreciated by her peers and instructors. She passed in September 2020. She left behind two daughters.

Finally, we would like to remember Susan Peterson, a custodian at LASC and long-time employee in LACCD, who passed away in February 2021. Susan was well respected and adored by her LASC colleagues as she was authentic and devoted to her family.

Despite these tragedies and many more, the college's students and employees have pulled together to support one another during this incredibly challenging time. We all look forward to better days ahead.

CONGRATULATORY REMARKS FROM THE CAMPUS

College History

Since its founding in 1967, Los Angeles Southwest College, home of the Cougars, has been devoted to social justice, closing equity gaps, and being a leader within the community to create intentional social change. We pursue academic excellence at all levels and are devoted to empowering students.

LASC is the product of decades of hard work, vision, and perseverance to achieve the dream of its principal founder, Odessa B. Cox. The Cox family and a small group of community members started fighting in 1947 to bring a comprehensive community college to South Los Angeles. The path has not been easy and was the result of the dedication of many.

Today, LASC continues to transform lives. With cutting-edge facilities and program offerings, the college provides a safe space for students to find their voice, find their passion, and find the freedom to live the lives they want to live. We take pride in our high academic standards, our excellent programs and services, and our approach to meeting each unique student's personal needs to find success at LASC.

The smallest of nine colleges in the Los Angeles Community College District, LASC is also the fiercest and continues to cultivate a culture of care, being intentional about diversity and student success.

College Mission

In honor of its founding history, Los Angeles Southwest College is committed to providing a student-centered and equitable learning environment designed to empower a diverse student population and the surrounding community to achieve their academic and career goals by:

- attaining certificates and associate degrees leading to transfer and workforce preparation
- eliminating systemic racism and exclusion
- becoming a model educational institution for the success of students of color

Commencement Speaker

Michael Lawson currently serves as President and CEO of the Los Angeles Urban League, a nonprofit dedicated to advocacy, leadership, and neighborhood change in South Los Angeles.

Mr. Lawson retired as a partner after 31 years with Skadden, Arps, Slate, Meagher & Flom. During his tenure with the firm, he was appointed to the Los Angeles Airport Commission, and served as its President.

In addition, Mr. Lawson has been a board member of several charitable organizations as well as Loyola Marymount University and Morehouse College. He served as a U.S. Ambassador in the Obama administration prior to joining the Los Angeles Urban League as its President and CEO in February 2018.

Mr. Lawson received his Juris Doctorate from Harvard Law School in 1978 and earned his B.A. in Political Science and Economics from Loyola Marymount University in 1975.

Musical Selection

Fernando Pullum is an educator and professional musician and executive director of the Fernando Pullum Community Arts Center, a nonprofit whose mission is to provide quality performing arts instruction to at-risk youth and help them build self-esteem, develop civic responsibility, and achieve academic success. He is also a adjunct faculty member in Los Angeles Southwest College's music program.

Mr. Pullum's students have performed for many dignitaries such as President Ford and Prince Charles and have performed with Jackson Browne, Stevie Wonder, Herbie Hancock, Lionel Hampton, Wynton Marsalis, Al Jarreau, as well as Crosby, Stills and Nash, and many other incredible musicians. The students have opened the Playboy Jazz Festival multiple times and traveled to Cuba, Brazil, Spain, and New York. Six of his former students have won Grammys. Mr. Pullum has an M.A. in Music Education and a M.A. in Trumpet Performance.

Degrees and Honors

ASSOCIATE DEGREES

Associate of Arts and Associate of Science degrees indicate completion of 60 or more units toward a course of study in selected curriculum.

ASSOCIATE DEGREES FOR TRANSFER

Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T) degrees are designed to facilitate transfer admission to a school in the California State University system in a similar major.

VALEDICTORIAN AND SALUTATORIAN

The Valedictorian and the Salutatorian are students with the two highest cumulative grade point averages in the graduating class. Grade point average (GPA) is based on graduate status obtained at the end of the Fall Semester. Valedictorian is the graduate with the highest grade point average. Salutatorian is the graduate with the second-highest grade point average.

GRADUATION HONORS

Outstanding achievement in a degree maybe designated by:

Summa Cum Laude (With Highest Praise)
Cumulative GPA of 3.9 or higher
Student receives Blue and Gold Honor Cord

Magna Cum Laude (With Great Praise)
Cumulative GPA from 3.7 to 3.89
Student receives Blue Honor Cord

Cum Laude (With Praise)
Cumulative GPA from 3.5 to 3.69
Student receives Gold Honor Cord

Honors Recognition

Los Angeles Southwest College is proud of our students and their accomplishments. The success of our students is the result of their hard work and the academic excellence of our institution.

On the following pages, some graduates and candidates for graduation will have one or two stars next to their name. One star (*) means the student was named to the Deans' Honor List. Two stars (**) indicate that the student received a President's Honor List award. Veterans who have graduated from LASC or are candidates to graduate are listed with three stars (***) .

The Deans' Honor List recognizes students who have satisfactorily completed 12 or more units in a given semester with a 3.5 grade-point average (GPA) or have satisfactorily completed 6 to 11.5 units in a semester with a 3.5 GPA and have completed a cumulative total of 12 or more units with a 3.5 GPA in all work attempted.

A student who received a President's Honor List award met the requirements for the Deans' Honor List for three consecutive primary semesters - either Fall or Spring semesters - with a 3.5 grade point average or higher.

Graduation honors are determined for Summer 2020 and Fall 2020 graduates. Spring 2021 candidates for graduation will have their honor status determined once final grades have posted and will be reflected on final transcripts as well as degrees.

Candidates for graduation will be considered graduates once they successfully complete their Spring and/or Summer courses. Once candidates for graduation successfully complete their coursework, they will be eligible for graduation honors.
