MyCollege.LACCD.edu has a new look!

Training videos are available at: LACCD.edu/SISupdate

available October 14
Student Email Notification

Dear LACCD Student:

Subject line: MyCollege.laccd.edu Student Portal Upgrade

The LACCD has an important announcement about your MyCollege.LACCD.edu student portal.

As of October 14, 2019, LACCD will be upgrading the platform with improved navigation and other easy-to-use features.

The system will be accessible from computers, smart phones, tablets and other mobile devices using your preferred Internet browser without a specific APP. The LACCD “smart phone” app will be discontinued as of October 1, 2019. You will be able to uninstall the app from your mobile devices and go to MyCollege.LACCD.edu to access your student records, register for classes, view your financial aid and pay any educational fees.

A link to informational videos about using the new MyCollege.LACCD.edu 9.2 student portal will be available on the MyCollege.LACCD.edu sign on page. You can also access the videos under the “Key Link & Help” navigation tile on the student homepage on or after October 14. We encourage you to view the information videos before logging on to the new MyCollege.LACCD.edu 9.2 student portal the first time.

For telephone support, call the toll free number at (844) MYLACCD or (844) 695-2223, Monday through Friday 8:00 a.m. to 7:00 p.m.

Please note, that the student information system will be offline starting 10:00 p.m. on Thursday, October 10 until 11:00 p.m. on Sunday, October 13 to move the MyCollege.LACCD.edu 9.2 student upgrade to production.

I’m confident that you will enjoy using the new upgraded features and will find the system easier to navigate, especially on your mobile devices.

Sincerely,

The Los Angeles Community College District Administration
PeopleSoft SIS 9.2 Upgrade

On October 14, 2019, LACCD will be releasing the upgraded MyCollege.laccd.edu student portal. The upgrade will provide an enhanced experience.

- A full mobile enhanced experience that will replace the need for the MyCollege.laccd.edu App
- Complete mobile functionality for all components of the student experience
- A new navigation system that is more intuitive
- A seamless self-service process enhanced for touchscreens and other modern user interfaces
- A new "look and feel" that will make navigation more intuitive

Click Here to view videos on how to use the new MyCollege.laccd.edu 9.2 student portal.

To complete this upgrade, the system will be offline during the following timeframe:

- **Start Time:** Thu, Oct 10, 2019 at 10 PM
- **Completion:** Sun, Oct 13, 2019 at 11 PM
- **Total Time:** Approx. 73 hours

Other services provided by the District Office are available during the downtime (click links below).

- [Office365 Email](#)
- [Canvas](#)
- [Enroll for Online Tutoring](#)

We apologize for any inconvenience during this time.
Office 365 / PeopleSoft SIS FAQ

PeopleSoft SIS 9.2 is here!

We've improved our system to make it easier for you. Once you log in, you will see a new look and a new, tile-based navigation system for managing classes, financial aid, email, student account information and more. Below you will find links to information and training videos to guide you through the new 9.2 upgrade.

- Student - Homepage review
- Student - Browse course catalog and search
- Student - Class search and enroll
- Employee - Faculty homepage review
- Employee - Navigation

How to Login

We have recently upgraded our security and changed the way student/faculty login to their account. Due to this upgrade, all users' passwords have been changed to a temporary default password. This password is different than your SIS (students) or your campus email (faculty). Here are documents to help you get started. If you will find your default password format:

- How do I login to the Office365 / PeopleSoft Portal?
- Students - How do I setup my Microsoft Self-Service Password Reset (SSPR) and reset my password?
- Employees - How do I setup security question Self-Service Password Reset (SSPR)?
- Employees - How do I reset my password?
