Setting Up Closed Captions for YouTube

1. On the menu at the bottom, you click on the little square with CC in it.

2. Once the Subtitles/CC is activated, you can change the language by clicking on Settings.

3. Then, click on the menu Subtitles/CC English (auto-generated).
4. Then, Click on the menu auto-translation

5. Then, you choose the language of preference.

6. Finally, you will see the translation of the general ideas.
